Toni and Niva –

In the CCD TCE RtC [CCD_Summary of Public and SACC Comments_TCE_08-14-2020.docx](#)

- The resolved comments are the comments I transferred to RAD's document
- \$\$\$ is where we need to double-check RAD's response once drafted
- @@@ are a few unresolved so please check responses for (12898, legacy, and a few where we might aid RAD's response)

Toni can add these responses tomorrow but the attached document is what I transferred to RAD today.

Thanks!
